ANSWERS TO SOME IMPORTANT QUESTIONS

Q. WHAT AM I BEING ASKED TO VOTE “FOR” ON THIS PROXY?

A. This proxy contains two proposals:

- Proposal One — the election of two Class III Directors to each serve until the Company’s 2012 Annual Meeting of Stockholders and until their successors are duly elected and qualified. The directors currently serving in Class III are William L. Thacker and Kevin S. McCarthy. Messrs. Thacker and McCarthy each have initial terms that will expire at the Company’s 2009 Annual Meeting of Stockholders, and the Company’s Board of Directors has nominated both gentlemen for reelection at the meeting.

The election of each of Mr. Thacker and Mr. McCarthy as a Class III Director requires the affirmative vote of the holders of a majority of shares of common stock outstanding as of the Record Date.

- Proposal Two — a proposal to authorize the Company to sell shares of its common stock at a net price less than net asset value per share, so long as the gross price (before underwriting fees and offering expenses) is above its net asset value per share, subject to certain conditions, for a period expiring on the date of the Company’s 2010 Annual Meeting of Stockholders.

Approval of Proposal Two requires: (1) the affirmative vote of a majority of all common stockholders of record as of the Record Date and (2) the affirmative vote of a majority of the votes cast by the holders of common stock.

Q. HOW DOES THE BOARD OF DIRECTORS SUGGEST THAT I VOTE?

A. The Board of Directors of the Company unanimously recommends that you vote “FOR” all proposals on the enclosed proxy card.

Q. HOW CAN I VOTE?

A. If your shares are held in “Street Name” by a broker or bank, you will receive information regarding how to instruct your bank or broker to vote your shares. If you are a stockholder of record, you may authorize the persons named as proxies on the enclosed proxy card to cast the votes you are entitled to cast at the meeting by completing, signing, dating and returning the enclosed proxy card. Stockholders of record or their duly authorized proxies also may vote in person if able to attend the meeting. However, even if you plan to attend the meeting, we urge you to return your proxy card. That will ensure that your vote is cast should your plans change.

EXECUTIVE COMPENSATION

Pursuant to an investment management agreement between KAFA (our external manager) and us, our external manager is responsible for supervising the investments and reinvestments of the Company's assets. Our external manager, at its own expense, maintains staff and employs personnel as it determines is necessary to perform its obligations under the investment management agreement. We pay management fees to our external manager for its advisory and other services performed under the investment management agreement.

Our executive officers who manage our regular business are employees of our external manager or its affiliates. Accordingly, we do not pay any salaries, bonuses or other compensation to our executive officers. We do not have employment agreements with our executive officers. We do not provide pension or retirement benefits, perquisites, or other personal benefits to our executive officers. We do not maintain any compensation plans under which our equity securities are authorized for issuance. We do not have arrangements to make payments to our executive officers upon their termination or in the event of a change in control of the Company.

The investment management agreement does not require our external manager to dedicate specific personnel to fulfilling its obligation to us under the investment management agreement, or require personnel to dedicate a specific amount of time. In their capacities as executive officers or employees of our external manager or its affiliates, they devote a portion of their time to our affairs as required for the performance of the duties of our external manager under the investment management agreement.

Our executive officers are compensated by our external manager. We understand that our external manager takes into account the performance of the Company as a factor in determining the compensation of certain of its senior managers, and such compensation may be increased depending on the Company's performance. In addition to compensation for services performed for the Company, certain of our executive officers may receive compensation for services performed for various investment funds of our external manager. However, our external manager cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers that relates exclusively to their services to us.

DIRECTOR COMPENSATION

Pursuant to its charter, our Nominating, Corporate Governance and Compensation Committee established by our Board of Directors is responsible for overseeing the compensation of our Independent Directors. The following table sets forth the compensation paid by us during the fiscal year ended November 30, 2008 to the Independent

Directors. No compensation is paid to directors who are “interested persons.” We have no retirement or pension plans or any compensation plans under which our equity securities were authorized for issuance.

William R. Cordes	\$73,000
Barry R. Pearl	\$75,000
Albert L. Richey	\$74,000
William L. Thacker	\$74,000
Interested Directors

Robert V. Sinnott	None

⁽¹⁾ Mr. McCarthy is the only one of our directors who also serves on the Boards of Directors of KYN and KYE, the other funds in the fund complex.

Our directors and officers who are “interested persons” by virtue of their employment by Kayne Anderson, including all our executive officers, serve without any compensation from us. Each of our Independent Directors receives a \$55,000 annual retainer for serving as a director. In addition, our Independent Directors receive fees for each meeting attended as follows: \$2,000 per Board of Directors meeting; \$1,000 per Audit Committee meeting; and \$1,000 for other committee meetings. The Chairman of the Audit Committee receives an additional \$5,000 annually for serving as Chairman. Committee meeting fees are not paid unless the meeting is separate from regular full Board of Directors meetings and exceeds 15 minutes in duration. The Independent Directors are reimbursed for expenses incurred as a result of attendance at meetings of the Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the 1934 Act, our directors and executive officers, and any persons holding more than 10% of our common stock, are required to report their beneficial ownership in our securities and any changes therein to the SEC and to us. We are required to report herein any failure to file such reports by applicable due dates for filings. Based on our review of any Forms 3, 4 and 5 filed by such persons, we believe that during the fiscal year, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

COMMITTEES OF THE BOARD OF DIRECTORS

Our Board has three standing committees: (1) the Audit Committee, (2) the Valuation Committee and (3) the Nominating, Corporate Governance and Compensation Committee.

Audit Committee

The Audit Committee is responsible for overseeing our accounting and financial reporting process, our system of internal controls, audit process and evaluating and appointing our independent auditors (subject also to Board approval). The members of our Audit Committee are William R. Cordes, Barry R. Pearl, Albert L. Richey and William L. Thacker, each of whom is independent for purposes of the 1940 Act and applicable New York Stock Exchange (“NYSE”) Corporate Governance Listing Standards. Mr. Pearl currently serves as Chairman of the Audit Committee. The Board has determined that William R. Cordes, Barry R. Pearl, Albert L. Richey and William L. Thacker each qualify as an “audit committee financial expert” (as defined in Item 407(d)(5) of Regulation S-K).

Valuation Committee

The Valuation Committee is responsible for the oversight of our pricing procedures and the valuation of our securities in accordance with such procedures. The members of our Valuation Committee are William R. Cordes, Albert L. Richey, William L. Thacker and Kevin S. McCarthy, each of whom, except for Mr. McCarthy, is independent for purposes of the 1940 Act and applicable NYSE Corporate Governance Listing Standards.

Nominating, Corporate Governance and Compensation Committee

The Nominating, Corporate Governance and Compensation Committee is responsible for appointing and nominating all persons to the Board, overseeing the composition of the Board and the implementation of our corporate governance policies and overseeing the compensation of the Independent Directors. Our Board has adopted a charter for the Nominating, Corporate Governance and Compensation Committee (the “Nominating, Corporate Governance and Compensation Committee Charter”), which is available on our website (www.kaynefunds.com). Our corporate governance guidelines are also available on our website and in print to any stockholder who requests them. The members of the Nominating, Corporate Governance and Compensation Committee are William R. Cordes, Barry R. Pearl, Albert L. Richey and William L. Thacker, each of whom is independent for purposes of the 1940 Act and applicable NYSE Corporate Governance Listing Standards. If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including stockholders. When a vacancy on the Board of Directors occurs and nominations are sought to fill such vacancy, the Nominating, Corporate Governance and Compensation Committee may seek nominations from those sources it deems appropriate in its discretion, including our stockholders. Prior to making a final recommendation to the Board, the Nominating, Corporate Governance and Compensation Committee may conduct personal interviews with the candidates it concludes are the most qualified.

The Nominating, Corporate Governance and Compensation Committee has not established specific, minimum qualifications that must be met by an individual for the Committee to recommend that individual for nomination as a director. The Nominating, Corporate Governance and Compensation Committee expects to seek referrals for candidates to consider for nomination from a variety of sources, including current directors, our management, our investment adviser and our counsel, and may also engage a search firm to identify or evaluate or assist in identifying or evaluating candidates. Prior to making a final recommendation to the Board, the Nominating, Corporate Governance and Compensation Committee may conduct personal interviews with the candidates it concludes are the most qualified. As set forth in the Nominating, Corporate Governance and Compensation Committee Charter, in evaluating candidates for a position on the Board, the Committee considers a variety of factors, including, as appropriate:

- the candidate’s knowledge in matters relating to the investment company industry;
- any experience possessed by the candidate as a director or senior officer of public companies;
- the candidate’s educational background;
- the candidate’s reputation for high ethical standards and personal and professional integrity;
- any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board’s existing mix of skills and qualifications;
- the candidate’s perceived ability to contribute to the ongoing functions of the Board, including the candidate’s ability and commitment to attend meetings regularly and work collaboratively with other members of the Board;
- the candidate’s ability to qualify as an independent director for purposes of the 1940 Act, the candidate’s independence from our service providers and the existence of any other relationships that might give rise to a conflict of interest or the appearance of a conflict of interest; and
- such other factors as the Committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other transitions (*e.g.*, whether or not a candidate is an “audit committee financial expert” under the federal securities laws).

The Nominating, Corporate Governance and Compensation Committee considers nominees properly recommended by stockholders. To submit a recommendation for nomination as a candidate for a position on the Board,

stockholders shall mail such recommendation to our Secretary, at our address, 717 Texas Avenue, Suite 3100, Houston, Texas 77002. Such recommendation shall include the following information: (a) evidence of stock ownership of the person or entity recommending the candidate (if submitted by one of our stockholders); (b) a full description of the proposed candidate’s background, including his or her education, experience, current employment, and date of birth; (c) names and addresses of at least three professional references for the candidate; (d) information as to whether the candidate is an “interested person” in relation to us, as such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate’s independence; and (e) any other information that may be helpful to the Nominating, Corporate Governance and Compensation Committee in evaluating the candidate. Any such recommendation must contain sufficient background information concerning the candidate to enable the Nominating, Corporate Governance and Compensation Committee to make a proper judgment as to the candidate’s qualifications. If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Nominating, Corporate Governance and Compensation Committee is accepting recommendations, the recommendation will be forwarded to the Chair of the Nominating, Corporate Governance and Compensation Committee and will be evaluated in the same manner as other candidates for nomination. Recommendations received at any other time will be kept on file until such time as the Nominating, Corporate Governance and Compensation Committee is accepting recommendations, at which point they may be considered for nomination. The Nominating, Corporate Governance and Compensation Committee met two times during the fiscal year.

The Nominating, Corporate Governance and Compensation Committee also reviews with management our Compensation Discussion and Analysis to be included in proxy statements and other filings.

Board of Director and Committee Meetings Held

The following table shows the number of meetings held for the Company during the fiscal year ended November 30, 2008:

Board of Directors	5
Audit Committee	4
Valuation Committee	4
Nominating Committee	2

All directors attended at least 75% of the aggregate of (1) the total number of meetings of the Board and (2) the total number of meetings held by all committees of the Board on which they served. The Company does not currently have a policy with respect to Board member attendance at annual meetings.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF THE COMPANY, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE NOMINEES TO THE BOARD.

PROPOSAL TWO

APPROVAL TO SELL SHARES OF COMMON STOCK AT A NET PRICE BELOW NET ASSET VALUE PER SHARE, SUBJECT TO THE GROSS PRICE (BEFORE UNDERWRITING FEES AND OFFERING EXPENSES) BEING GREATER THAN NET ASSET VALUE PER SHARE

Summary

The 1940 Act prohibits the Company from selling shares of its common stock at a net price, after deducting underwriting fees and offering expenses, below the current net asset value (“NAV”) per share of such stock, except with the consent of a majority of its common stockholders or under certain other circumstances. The Company may be presented with potential investments that KAFA believes are sufficiently attractive to justify selling shares of the Company’s common stock at a price below its then-current NAV per share, which could be made only if the Company raises additional capital in that manner. The Board of Directors is seeking the required stockholder approval so the Company may sell shares of its common stock at a net price below its then-current NAV per share, so long as the gross price (before underwriting fees and offering expenses) is above its then-current NAV, subject to certain conditions discussed below. If approved, the authorization would be effective for a period expiring on the date of the Company’s 2010 Annual Meeting of Stockholders, which is expected to be held in June 2010.

Rationale

The Company expects that it will be periodically presented with opportunities to acquire securities at attractive prices that may lead to an increase in the long term NAV, including publicly traded securities at a discount to current market value in negotiated transactions. The Company believes that having the ability to issue its common stock at a price below NAV could benefit its stockholders by providing it the flexibility to enter into such negotiated transactions, which have the potential to increase the Company’s long-term NAV per share.

These negotiated transactions often require the Company to commit capital in a relatively short period of time, and such commitments cannot be contingent upon future financings. Because the Company generally attempts to remain fully invested and it does not intend to maintain cash for the purpose of making these investments, the Company may be unable to capitalize on investment opportunities presented to it unless it is confident that it can raise equity capital without seeking stockholder approval on a case by case basis.

NAV and Share Price History of the Company’s Common Stock

The Company’s common stock has traded both at a premium and at a discount in relation to its NAV. The following table sets forth a comparison of the Company’s NAV per share and the comparable closing price of the Company’s common stock, as reported on the NYSE as of the last day of each fiscal quarter since the inception of the Company.

<u>Date⁽¹⁾</u>	<u>NAV</u>	<u>Closing Price</u>
September 20, 2006	\$23.32 ⁽²⁾	\$ —
November 30, 2006	24.19	22.32
February 28, 2007	25.01	24.95
May 31, 2007	25.52	26.41
August 31, 2007	24.65	25.10
November 30, 2007	24.39	23.14
February 29, 2008	23.41	23.76

August 31, 2008	22.19	22.85
November 30, 2008	16.10	9.63

⁽¹⁾ Our common stock began trading on the NYSE on September 21, 2006.

⁽²⁾ Initial public offering price of \$25.00 per share, less underwriting discounts of \$1.59 per share and offering costs of \$0.09 per share.

Conditions for Selling the Company's Common Stock at a Net Price Below NAV, Subject to the Gross Price Being Greater than NAV

If this proposal is approved, the Company does not anticipate selling its common stock at a net price below its NAV unless it has identified attractive near-term investment opportunities that KAFA reasonably believes will lead to a long-term increase in NAV. In determining whether or not to sell additional shares of the Company's common stock at a net price below the NAV per share, the Board of Directors will have duties to act in the best interest of the Company and its stockholders. To the extent the Company issues shares of its common stock at a net price below NAV in a publicly registered transaction, the Company's market capitalization and the amount of its publicly tradable common stock will increase, thus affording all common stockholders greater liquidity.

The Company will only sell shares of its common stock at a net price below NAV per share if all of the following conditions are met:

1. The gross offering price per share, before deduction of underwriting fees, commissions and offering expenses, will not be less than the NAV per share of the Company's common stock, as determined at any time within 2 business days of pricing of the common stock to be sold in the offering.
2. Immediately following the offering, after deducting offering expenses and underwriting fees and commissions, the NAV per share of the Company's common stock, as determined at any time within 2 business days of pricing of the common stock to be sold, would not have been diluted by greater than a total of 1% of such value per share of all outstanding common stock. The Company will not be subject to a maximum number of shares that can be sold or a defined minimum sales price per share in any offering so long as the aggregate number of shares offered and the price at which such shares are sold together would not result in dilution of the NAV per share of the Company's common stock in excess of the 1% limitation.
3. A majority of the Company's Independent Directors makes a determination, based on information and a recommendation from KAFA, that the investment(s) to be made with the net proceeds of such issuance will lead to a long-term increase in NAV.

Factors to Consider

Before voting on this proposal or giving proxies with regard to this matter, common stockholders should consider the potentially dilutive effect of the issuance of shares of the Company's common stock at a net price less than NAV per share on the NAV per share of common stock then-outstanding. Any sale of common stock at a net price below NAV would result in an immediate dilution to existing common stockholders. Common stockholders should also consider that holders of the Company's common stock have no subscription, preferential or preemptive rights to additional shares of the common stock proposed to be authorized for issuance, and thus any future issuance of common stock will dilute such stockholders' holdings of common stock as a percentage of shares outstanding.

The two examples below assume that the Company has an NAV of \$15.00 per share with 10.0 million shares outstanding and that the underwriting fees, commissions and expenses are 5% of the gross offering price per share.

Example 1. A gross offering price of \$15.00 per share (equal to the NAV) would result in a net offering price of \$14.25 per share after deducting the underwriting fees, commissions and expenses. The maximum number of shares that the Company could issue in this example is 2.5 million shares before reaching the cap of 1% dilution to NAV per share, or \$0.15 per share.

Example 2. A gross offering price of \$15.30 per share (above NAV) would result in a net offering price of \$14.54 per share after deducting the underwriting fees, commissions and expenses. The maximum number of shares that the Company could issue in this example is approximately 4.7 million shares before reaching the cap of 1% dilution to NAV per share, or \$0.15 per share.

The issuance of the additional shares of common stock will also have an effect on the gross amount of management fees paid by the Company to KAFA. The Company's investment advisory agreement with KAFA provides for a management fee payable to KAFA as compensation for managing the investment portfolios of the Company computed as a percentage of assets under management. The increase in the Company's asset base that would result from any issuance of shares of common stock proposed to be authorized by common stockholders in this proposal would increase

assets of the Company under management, and would cause a corresponding increase in the gross amount of management fees paid to KAFA, but would not increase or decrease the management fee as a percentage of assets under management. However, by increasing the size of the Company's asset base and number of shares outstanding, the Company may be able to reduce its fixed expenses both as a percentage of total assets and on a per share basis.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS OF THE COMPANY VOTE "FOR" THE PROPOSAL TO ALLOW THE COMPANY TO SELL SHARES OF ITS COMMON STOCK AT A NET PRICE BELOW NAV PER SHARE, SO LONG AS THE GROSS PRICE IS ABOVE NAV, SUBJECT TO CERTAIN CONDITIONS.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We are party to an investment management agreement with KAFA, the managing member of which is KACALP, an entity in which two of our directors have ownership interests. Our executive officers have employment relationships with KAFA or KACALP and certain executive officers also have ownership interests in KACALP. Pursuant to the terms of the investment management agreement, KAFA provides us with the office facilities and certain administrative services necessary to conduct our day-to-day operations.

KAFA manages two closed-end management investment companies registered under the 1940 Act — KYN, a publicly traded MLP fund; and KYE, a publicly traded non-diversified energy fund. KAFA also serves as investment advisor to KA First Reserve, LLC ("KAFR"), which is a private investment fund that invests in MLPs. KACALP manages several private investment funds (together with other funds advised by Kayne Anderson, "Affiliated Funds"). Some of the Affiliated Funds have investment objectives that are similar to or overlap with our investment objectives. Kayne Anderson may at some time in the future, manage other investment funds with the same investment objectives as our investment objectives. In addition, KACALP manages private funds with an investment focus of making private equity investments in upstream energy companies. These funds will have priority over us with respect to such investments, and, as a result, our ability to invest in non-publicly traded equity securities of upstream energy companies could be limited.

Our investment opportunities may be limited by affiliations of our investment adviser and its senior professionals with limited partnerships or other energy companies. Additionally, to the extent that Kayne Anderson sources and structures private investments in MLPs, certain employees of Kayne Anderson may become aware of actions planned by publicly traded energy companies, such as acquisitions, that may not be announced to the public. It is possible that we could be precluded from investing in a publicly traded energy company about which Kayne Anderson has material non-public information; however, it is Kayne Anderson's intention to ensure that any material non-public information available to certain Kayne Anderson employees not be shared with those employees responsible for the purchase and sale of publicly traded energy company securities.

Under the 1940 Act, we and our affiliates, including Affiliated Funds, are generally precluded from co-investing in certain private placements of securities such as our targeted investments. Kayne Anderson will allocate private investment opportunities among their respective clients, including us, based on allocation policies that take into account several suitability factors, including the size of the investment opportunity, the amount each client has available for investment and the client's investment objectives. These allocation policies may result in the allocation of investment opportunities to an Affiliated Fund rather than to us. The policies contemplate that Kayne Anderson will exercise discretion, based on several factors relevant to the determination, in allocating the entirety, or a portion, of such investment opportunities to an Affiliated Fund, in priority to other prospectively interested advisory clients, including us. In this regard, when applied to specified investment opportunities that would normally be suitable for us, the allocation policies may result in certain Affiliated Funds having greater priority than us to participate in such opportunities depending on the totality of the considerations, including, among other things, our available capital for investment, our existing holdings, applicable tax and diversification standards to which we may then be subject and the ability to efficiently liquidate a portion of our existing portfolio in a timely and prudent fashion in the time period required to fund the transaction.

Our Independent Directors will review any investment decisions that may present potential conflicts of interest between Kayne Anderson and us in accordance with specific procedures and policies adopted by the Board.

KAFA may be offered non-monetary benefits or “soft dollars” by brokers to induce KAFA to engage those brokers to execute securities transactions on behalf of us. These soft dollars may take the form of research regarding securities investments, and may be available for use by KAFA in connection with transactions in which we do not participate.

Employees of Kayne Anderson who are designated as access persons may engage in personal securities transactions, including transactions involving securities that are currently held by us or, in limited circumstances, that are being considered for purchase or sale by us, subject to certain general restrictions and procedures set forth in our code of ethics. The personal securities transactions of the access persons of Kayne Anderson will be governed by its code of ethics. See “Codes of Ethics” below.

INDEPENDENT ACCOUNTING FEES AND POLICIES

Audit and Related Fees

Audit Fees. The aggregate fees billed to us by PricewaterhouseCoopers LLP during fiscal years 2008 and 2007 for professional services rendered with respect to the audit of our financial statements were \$282,000 and \$308,000, respectively.

Audit-Related Fees. We were not billed by PricewaterhouseCoopers LLP for any fees for assurance and related services reasonably related to the performance of the audits of our annual financial statements for either of the past two fiscal years.

Tax Fees. For professional services for tax compliance, tax advice and tax planning for fiscal years 2008 and 2007, we were billed by PricewaterhouseCoopers LLP for fees in the amounts of \$206,000 and \$205,000, respectively.

All Other Fees. We were not billed by PricewaterhouseCoopers LLP for any fees for services other than those described above during either of the past two fiscal years.

Aggregate Non-Audit Fees. We were not billed by PricewaterhouseCoopers LLP for any amounts for any non-audit services during either of the past two fiscal years. In addition, neither Kayne Anderson nor any entity controlling, controlled by, or under common control with Kayne Anderson that provides ongoing services to us, was billed by PricewaterhouseCoopers LLP for any non-audit services during either of the last two fiscal years.

Audit Committee Pre-Approval Policies and Procedures

Before the auditor is (i) engaged by us to render audit, audit related or permissible non-audit services to us or (ii) with respect to non-audit services to be provided by the auditor to Kayne Anderson or any entity in the investment company complex, if the nature of the services provided relate directly to our operations or financial reporting, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must be detailed as to the particular service and not involve any delegation of the Audit Committee’s responsibilities to Kayne Anderson. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain *de minimis* thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with PricewaterhouseCoopers LLP, the Audit Committee approved in advance all audit services and non-audit services that PricewaterhouseCoopers LLP provided to us and to Kayne Anderson (with respect to our operations and financial reporting). None of the services rendered by PricewaterhouseCoopers LLP to us or Kayne Anderson were pre-approved by the Audit Committee pursuant to the pre-approval exception under

Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered whether the provision of non-audit services rendered by PricewaterhouseCoopers LLP to Kayne Anderson and any entity controlling, controlled by, or under common control with Kayne Anderson that were not required to be pre-approved by the Audit Committee is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Appointment of Independent Auditors

The Board of Directors has appointed PricewaterhouseCoopers LLP, an independent registered public accounting firm, as independent auditors to audit our books and records for our current fiscal year. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting to make a statement, if such representative so desires, and to respond to stockholders' questions. PricewaterhouseCoopers LLP has informed us that it has no direct or indirect material financial interest in us or Kayne Anderson.

Proposal One — The election of each of Mr. Thacker and Mr. McCarthy as a Class III Director requires the affirmative vote of the holders of a majority of shares of common stock outstanding as of the Record Date. For the purposes of determining whether the majority of the votes entitled to be cast by the common stockholders has elected a nominee, each common share is entitled to one vote. For the purposes of Proposal One, abstentions, if any, will have the same effect as votes against the election of Mr. Thacker and/or Mr. McCarthy, as the case may be, although they will be considered present for purposes of determining the presence of a quorum at the Annual Meeting. Because brokers are permitted by applicable regulations to vote shares as to which instructions have not been received from the beneficial owners or the persons entitled to vote in uncontested elections of directors, it is anticipated that there will be few, if any, broker “non-votes” in connection with Proposal One. However, broker non-votes, if any, will have the same effect as a vote against the nominee, although they would be considered present for purposes of determining a quorum.

Proposal Two — The approval of a proposal to authorize the Company to sell shares of its common stock at a net price less than the NAV per share, so long as the gross price (before underwriting fees and offering expenses) is above NAV per share, requires: (1) the affirmative vote of a majority of all common stockholders of record as of the Record Date and (2) the affirmative vote of a majority of the votes cast by the holders of common stock outstanding as of the Record Date. For the purpose of determining whether a majority of the common stockholders of record approved this proposal, abstentions and broker non-votes, if any, will have the effect of a vote against Proposal Two. For the purpose of determining whether a majority of votes cast approved this proposal, abstentions and broker non-votes, if any, will have no effect on the outcome.

The Audit Committee also selects, retains, evaluates and may replace the Company's independent auditors and determines their compensation, subject to ratification of the Board, if required. The Audit Committee is currently composed of four Directors. As provided in the Audit Committee Charter, it is not the Audit Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Company's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Audit Committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the Audit Committee, the committee has recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K.

KAYNE ANDERSON ENERGY DEVELOPMENT COMPANY

AUDIT COMMITTEE CHARTER

(Adopted September 5, 2006)

The Board of Directors (the “Board”) of Kayne Anderson Energy Development Company (the “Company”) shall have an Audit Committee (the “Audit Committee”).

I. Statement of Purpose and Function

The function of the Audit Committee is oversight; it is management’s responsibility to maintain appropriate systems for accounting and internal controls, and the Auditor’s responsibility to plan and carry out the audit in accordance with auditing standards generally accepted in the United States. The Auditor is ultimately responsible to the Board and the Audit Committee.

The purposes of the Audit Committee are to:

- assist the Board in its oversight of (1) the integrity, quality and objectivity of the Company’s financial statements and the independent audit thereof, (2) the Company’s compliance with legal and regulatory requirements, (3) the independent auditor’s qualifications and independence, and (4) the performance of the Company’s internal audit function and the Company’s independent auditor (the “Auditor”), (5) the Company’s accounting and financial reporting policies and practices by reviewing disclosures made to the Audit Committee by the Company’s certifying officers and the Auditor about any significant deficiency in, or material change in the operation of, the Company’s internal controls or material weaknesses therein, and any fraud involving KA Fund Advisors, LLC (the “Advisor”) or any employees or other persons who have a significant role in the Company’s internal controls;
- prepare an audit committee report as required by the Securities and Exchange Commission to be included in the Company’s annual proxy statement;
- select, oversee and approve the compensation of the Auditor and to act as liaison between the Auditor and the Board; and
- conduct an annual performance evaluation of the Audit Committee.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the Company.

II. Committee Composition

The Audit Committee shall be comprised of at least three directors, all of whom shall be independent directors (*i.e.*, directors who are not “interested persons” of the Company as defined in the Investment Company Act of 1940, as amended, and who are free of any other relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as Audit Committee members). Each member shall be appointed by the Board, and a majority of the independent directors of the Board also shall approve each appointment.

The Board shall designate one member as Audit Committee Chairman.

Members of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. In addition, at least one member of the Audit Committee shall have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

The Audit Committee shall consider whether one or more members of the Audit Committee is an “Audit Committee financial expert,”¹ as such term is defined by the Securities and Exchange Commission, and whether any such expert is “independent.”² The Audit Committee shall report the results of its deliberations to the Board for further action as appropriate, including, but not limited to, a determination by the Board that the Audit Committee membership includes or does not include one or more “Audit Committee financial experts” and any related disclosure to be made concerning this matter.

III. Duties and Responsibilities

The Audit Committee shall meet with the finance and other personnel of the Company and the Advisor as necessary and appropriate to fulfill the Committee’s oversight role. The Audit Committee shall have unrestricted access to the Auditor and the Company’s administrator.

To carry out its purposes, the Audit Committee shall have the following duties and powers (such listing is not intended to limit the authority of the Audit Committee in achieving its purposes):

1. Selection of Auditor and Approval of Fees.

(a) The Audit Committee shall pre-approve the selection of the Auditor and shall recommend the selection, retention or termination of the Auditor to the Board and, in connection therewith, shall evaluate the independence of the Auditor, including an evaluation of the extent to which the Auditor provides any consulting, auditing or non-audit services to the Advisor or its affiliates. The Audit Committee shall review the Auditor’s specific representations as to its independence.

(b) The Audit Committee shall review and approve the fees charged by the Auditor for audit and non-audit services to be provided to the Company in accordance with the pre-approval requirements set forth below. The Company shall provide for appropriate funding, as determined by the Audit Committee, to compensate the Auditor for any authorized service provided to the Company.

2. Meetings with Auditor. The Audit Committee shall meet with the Auditor prior to the commencement of substantial work on the audit and following the conclusion of the audit, as well as such other times as the Committee shall deem necessary or appropriate. The Chairman of the Audit Committee shall meet with the Auditor informally as needed. The Audit Committee shall ensure that the Auditor reports directly to the Audit Committee.

3. Reports by Auditor. The Audit Committee shall request the Auditor to report at least annually concerning, and shall engage the Auditor in discussions regarding, the following and other pertinent matters:

(a) the arrangements for and scope of the annual audit and any special audits;

(b) all critical accounting policies and practices to be used;

(c) any matters of concern relating to the Company’s annual audited financial statements and quarterly financial statements, including: (i) any adjustments to such statements recommended by the Auditor, or other results of said audit(s), and (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Auditor;

¹ Notwithstanding any such identification, each member of the Audit Committee is expected to contribute significantly to the work of the Committee. Moreover, identification as an “audit committee financial expert” will not increase the duties, obligations or liability of the identified person as compared to the duties, obligations and liability imposed on that person as a member of the Audit Committee and of the Board.

² For purposes of this finding of independence only, in order to be considered “independent,” any such expert must not only be independent for purposes of the Investment Company Act but also must satisfy the additional requirement that he or she may not, other than in his or her capacity as a member of the Audit Committee, the Board, or any other Board committee, accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company. for appropriate funding, as determined by the Audit Committee, to compensate the Auditor for any authorized service provided to the Company.

- (d) any audit problems or difficulties and management’s response;
- (e) any material written communication between the Auditor and management such as any management letter or schedule of unadjusted differences;
- (f) all non-audit services provided to any entity in the “Investment Company Complex”³ that were not pre-approved by the Audit Committee;
- (g) the amount of all fees received by the Auditor for providing services of any type to the Advisor and any affiliate controlled by the Advisor, and confirmation that the Auditor has not provided any prohibited non-audit services;
- (h) the Auditor’s comments with respect to the Company’s financial policies, procedures and internal accounting controls and responses thereto by the Company’s officers, the Advisor and administrator, as well as other personnel;
- (i) confirmation of the form of written opinion the Auditor proposes to render to the Board and stockholders of the Company, and discussion or reporting on the general nature of the disclosures to be made in Form 10-K or Form 10-Q;
- (j) the adequacy and effectiveness of relevant accounting internal controls and procedures and the quality of the staff implementing those controls and procedures;
- (k) periodic reports concerning relevant regulatory changes and new accounting pronouncements that significantly affect the value of the Company’s assets and its financial reporting;
- (l) disclosures to the Auditor’s and the Audit Committee by the Company’s chief executive or chief financial officer of (i) any material weaknesses in internal controls, (ii) any significant deficiencies in the design or operation of internal controls that could adversely affect the Company’s ability to record, process, summarize, and report financial data and, (iii) any fraud, whether or not material, that involves management of other employees who have a significant role in the Company’s internal controls, and (iv) any other matters that could jeopardize the Company’s ability to file its financial statements with the Securities and Exchange Commission or the certifying officers’ ability to certify the Company’s Form 10-K or Form 10-Q;
- (m) confirmation that the Auditor is in compliance with the audit partner rotation requirements applicable to the engagement with the Company;
- (n) the Auditor’s internal quality-control procedures, including any material issues raised by the most recent internal quality-control review, or peer review, of the Auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the Auditor, and any steps taken to deal with any such issues;
- (o) all relationships between the Auditor and the Company, and between the Auditor and the Advisor (to assess the Auditor’s independence); and
- (p) the opportunity to report on any other matter that the Auditor deems necessary or appropriate to discuss with the Audit Committee.

In order to ensure that the Audit Committee has had an opportunity to review the Auditor’s report and other required communications relating to the annual audit of the Company’s financial statements prior to the date the audited financial statements are filed with the Securities and Exchange Commission and released to the public (*i.e.*, within 60 days following the end of the Company’s fiscal year), the Audit Committee shall either meet with the Auditor or, in lieu of a meeting, require the Auditor to deliver a

written report to the Audit Committee concerning these matters prior to the date the audited financial statements are filed with the Securities and Exchange Commission and released to the public.

4. Meetings with Management and the Advisor. The Audit Committee shall periodically meet with its management and the Advisor to discuss such items as it deems appropriate, including but not limited to the Company's annual audited financial statements, including the Company's disclosures under "Management's Discussion of Fund Performance."

5. Discussion of Other Important Items. The Audit Committee shall meet to discuss and give due consideration to the following items:

(a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles and their effect on the Company, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies;

(b) analyses prepared by management and/or the Auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements;

(c) the effect of regulatory and accounting initiatives on the financial statements of the Company;

(d) earnings press releases, and financial information and earnings guidance provided to analysts and rating agencies (such discussion may be done generally, i.e., discussion of the types of information to be disclosed and the type of presentation to be made), and the Audit Committee is not required to discuss in advance each earnings release or each instance in which the Company may provide earnings guidance;

(e) policies with respect to risk assessment and risk management; and

(f) hiring policies with respect to employees or former employees of the Auditor.

6. Evaluation of Audit Related Services and Permissible Non-Audit Services.

(a) The Audit Committee shall evaluate all audit related services performed or to be performed by the Auditor for the Company. The Audit Committee shall regularly review with the Auditor any difficulties the Auditor encountered in the course of the audit work, including any restrictions on the scope of the Auditor's activities or on access to requested information, and any significant disagreements with management. Among the items the Audit Committee may want to review with the Auditor are: any accounting adjustments that were noted or proposed by the Auditor but were "passed" (as immaterial or otherwise); any communications between the audit team and the Auditor's national office respecting auditing or accounting issues presented by the engagement; and any "management" or "internal control" letter issued, or proposed to be issued, by the Auditor to the Company. The review should also include discussion of the responsibilities, budget and staffing of the Company's internal audit function.

(b) The Audit Committee shall also evaluate all permissible non-audit services performed or to be performed by the Auditor for the Company or (i) the Advisor and (ii) any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, if the nature of the services provided relate directly to the operations or financial reporting of the Company, to ensure that such services do not impair the independence of the Auditor. Audit related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent auditor that do not impair the independence of the Auditor. Permissible non-audit services include tax compliance, tax planning, tax advice and other routine and recurring services that do not impair the independence of the Auditor.

7. Pre-Approval of Auditor Services.

(a) Pre-Approval Requirements for Services to Company. Before the Auditor is engaged by the Company to render audit related or permissible non-audit services, either:

(i) The Audit Committee shall pre-approve such engagement; or

(ii) Such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must (1) be detailed as to the particular service and (2) not involve any delegation of the Audit Committee's responsibilities to the Advisor. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this Section shall be presented to the full Audit Committee at its next scheduled meeting.

(iii) *De Minimis Exceptions to Pre-Approval Requirements.* Pre-approval for a service provided to the Company other than audit, review or attest services is not required if: (1) the aggregate amount of all such non-audit services provided to the Company constitutes not more than 5 percent of the total amount of revenues paid by the Company to the Auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by the Company at the time of the engagement to be non-audit services; and (3) such services are promptly brought to the attention of the Audit Committee and are approved by the Audit Committee or by one or more members of the Audit Committee to whom authority to grant such approvals has been delegated by the Audit Committee.

(b) *Pre-Approval of Non-Audit Services Provided to the Advisor and Others.* The Audit Committee shall pre-approve any non-audit services proposed to be provided by the Auditor to (i) the Advisor and (ii) any entity in the investment company complex (see note 3), if the nature of the services provided relate directly to the operations or financial reporting of the Company.

Application of De Minimis Exception: The De Minimis exceptions set forth above under Section 5(a) apply to pre-approvals under this Section (b) as well, except that the "total amount of revenues" calculation for Section 5(b) services is based on the total amount of revenues paid to the Auditor by the Company and any other entity that has its services approved under this Section (*i.e.*, the Advisor or any control person).

8. *Prohibited Activities of the Auditor.* The Audit Committee shall confirm with the Auditor that the Auditor who is performing the audit for the Company is not performing contemporaneously (during the audit and professional engagement period) any impermissible non-audit services for the Company or the Advisor (see Section III.2(f)).

9. *Establishment of Procedures Regarding Concerns or Complaints.* The Audit Committee shall establish procedures for (i) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by employees of the Company, the Advisor, the administrator, the lead underwriters, or any other provider of accounting related services for the Company, of concerns regarding questionable accounting or auditing matters.

10. *Reporting.* The Audit Committee Chairman shall report to the Board the recommendations and determinations of the Audit Committee, as well as the results of any Audit Committee reviews.⁴

11. *Minutes.* The Audit Committee shall prepare minutes of all meetings of the Committee.

IV. Amendment.

The Audit Committee shall review this Charter on an annual basis and recommend any changes to the Board. This Charter may be amended by a vote of a majority of the Board.

⁴ This report shall include any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Auditor, or the performance of the Company's internal compliance function.
