PROPOSAL ONE
ELECTION OF DIRECTORS

The Board of Directors of each Company unanimously nominated Anne K. Costin and William H. Shea, Jr. for election as directors at the Annual Meeting to serve for terms of three years (until the 2019 Annual Meeting of Stockholders) and until their successors have been duly elected and qualified. Both Ms. Costin and Mr. Shea are currently directors of each Company.

Each nominee has consented to be named in this proxy statement and has agreed to serve if elected. The Companies have no reason to believe that either Ms. Costin or Mr. Shea will be unavailable to serve. The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) “FOR” the election of Ms. Costin and Mr. Shea as directors of each Company. If either Ms. Costin or Mr. Shea is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by each Company’s Board.

In accordance with each Company’s charter, its Board of Directors is divided into three classes of approximately equal size. Currently, each Company has five directors as follows:

<u>Term*</u>	<u>Directors</u>	<u>Elected By</u>	
		<u>Common Stockholders</u>	<u>Preferred Stockholders</u>
3-year term until 2016	Anne K. Costin William H. Shea, Jr.	X	X X
3-year term until 2017	Gerald I. Isenberg	X	X
3-year term until 2018	Steven C. Good Kevin S. McCarthy		X X

* For each Company, each director serves a three-year term until the Annual Meeting of Stockholders for the designated year and until his or her successor has been duly elected and qualified.

Pursuant to the terms of each Company’s mandatory redeemable preferred stock (the “Preferred Stock”), the holders of Preferred Stock are entitled as a class, to the exclusion of the holders of the Company’s common stock (the “Common Stock”), to elect two directors of the Company (the “Preferred Directors”). The Board of each Company has designated Steven C. Good and William H. Shea, Jr. as the Preferred Directors. The terms of the Preferred Stock for each Company further provide that the remaining nominees shall be elected by holders of Common Stock and Preferred Stock voting together as a single class. Of those designated as Preferred Directors, Mr. Shea is the sole Preferred Director whose term is expiring at this year’s Annual Meeting.

The following tables set forth the nominees’ and each remaining director’s name and year of birth; position(s) with each Company and length of time served; principal occupations during the past five years; and other directorships held during the past five years. The address for the nominees and directors is 811 Main Street, 14th Floor, Houston, TX 77002.

The term “Independent Director” is used to refer to a director who is not an “interested person,” as defined in the Investment Company Act of 1940, as amended (the “1940 Act”), of the Company, of Kayne Anderson or of the Company’s underwriters in offerings of its securities from time to time as defined in the 1940 Act. None of the Independent Directors (other than Mr. Isenberg) nor any of their immediate family members, has ever been a director, officer or employee of Kayne Anderson or its affiliates. From 1998 to 2002, Mr. Isenberg was a board member of Kayne Anderson Rudnick Mutual Funds, whose investment adviser, Kayne Anderson Rudnick Investment Management, LLC, was formerly an affiliate of KACALP. Kevin S. McCarthy is an “interested person” or “Interested Director” by virtue of his employment relationship with Kayne Anderson.

The Board of Directors of each Company has adopted a mandatory retirement policy. No director may be nominated or stand for re-election if that director would have his or her 75th birthday before the stockholders' meeting at which that director would be elected. Once elected, a director may complete his or her term even if that director turns 75 during such term.

For information regarding each Company's executive officers and their compensation, please refer to "Information About Executive Officers" and "Compensation Discussion and Analysis".

In addition to serving on the Board of Directors of KYN and KYE, Mr. McCarthy also serves on the Board of Directors of Kayne Anderson Midstream/Energy Fund, Inc. ("KMF") and Kayne Anderson Energy Development Company ("KED"). KYN, KYE, KMF and KED are closed-end investment companies registered under the 1940 Act that are advised by KAFA.

(1) Chairman of the Audit Committee and Audit Committee financial expert

- *Audit Committee.* The Audit Committee operates under a written charter (the “Audit Committee Charter”), which was adopted and approved by the Board and established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “1934 Act”). The Audit Committee Charter conforms to the applicable listing standards of the New York Stock Exchange (the “NYSE”). The Audit Committee Charter is available on the Companies’ website (www.kaynefunds.com). The Audit Committee, among others, approves and recommends to the Board the election, retention or termination of the Company’s independent auditors; approves services to be rendered by such auditors; monitors and evaluates each auditors’ performance; reviews the results of the Company’s audit; determines whether to recommend to the Board that the Company’s audited financial statements be included in the Company’s Annual Report; monitors the accounting and reporting policies and procedures of the Company and the Company’s compliance with regulatory requirements; and responds to other matters as outlined in the Audit Committee Charter. Each Audit Committee member is “independent” under the applicable NYSE listing standard.
- *Valuation Committee.* The Valuation Committee is responsible for the oversight of the Company’s valuation procedures and the valuation of the Company’s securities in accordance with such procedures. The Valuation Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Companies’ website (www.kaynefunds.com).
- *Nominating, Corporate Governance and Compensation Committee (“Nominating Committee”).* The Nominating Committee is responsible for appointing and nominating Independent Directors to the Board. Each Nominating Committee member is “independent” under the applicable NYSE listing standards. The Nominating Committee operates under a written charter adopted and approved by the Board (the “Nominating Committee Charter”), a copy of which is available on the Companies’ website (www.kaynefunds.com). The Nominating Committee has not established specific, minimum qualifications that must be met by an individual for the Committee to recommend that individual for nomination as a director. The Nominating Committee expects to seek referrals for candidates to

consider for nomination from a variety of sources, including current directors, the Company's management, investment adviser and counsel, will consider nominees properly recommended by stockholders, and may also engage a search firm to identify or evaluate or assist in identifying or evaluating candidates. As set forth in the Nominating Committee Charter, in evaluating candidates for a position on the Board, the Committee considers a variety of factors, including, as appropriate:

- the candidate's knowledge in matters relating to the investment company or to the energy industry;
- any experience possessed by the candidate as a director or senior officer of public companies;
- the candidate's educational background;
- the candidate's reputation for high ethical standards and personal and professional integrity;
- any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications;
- the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly and work collaboratively with other members of the Board;
- the candidate's ability to qualify as an independent director for purposes of the 1940 Act, the candidate's independence from the Company's service providers and the existence of any other relationships that might give rise to a conflict of interest or the appearance of a conflict of interest; and
- such other factors as the Nominating Committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other transitions (*e.g.*, whether or not a candidate is an "audit committee financial expert" under the federal securities laws).

The Nominating Committee also considers diversity, including gender, race and national origin, education, professional experience, skills and viewpoints in identifying nominees for director. The Nominating Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating Committee believe that it is important that the Board members represent diverse skills, backgrounds, experiences and perspectives.

Prior to making a final recommendation to the Board, the Nominating Committee of each Company may conduct personal interviews with the candidates it believes to be the most qualified.

If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including stockholders. When a vacancy on the Board occurs and nominations are sought to fill such vacancy, the Nominating Committee may seek nominations from those sources it deems appropriate in its discretion, including the Company's stockholders.

The Nominating Committee considers nominees properly recommended by stockholders. To submit a recommendation for nomination as a candidate for a position on the Board of either Company, stockholders of such Company shall mail the recommendation to the Secretary of the Company at 811 Main Street, 14th Floor, Houston, TX 77002. Such recommendation shall include the following information: (a) evidence of stock ownership of the person or entity recommending the candidate; (b) a full description of the proposed candidate's background, including his or her education, experience, current employment, and date of birth; (c) names and addresses of at least three professional references for the candidate; (d) information as to whether the candidate is an "interested person" in relation to the Company, as such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate's independence; and (e) any other information that may be helpful to the Nominating Committee in evaluating the candidate.

Any such recommendation must contain sufficient background information concerning the candidate to enable the Company’s Nominating Committee to make a proper judgment as to the candidate’s qualifications. If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Nominating Committee is accepting recommendations, the recommendation will be forwarded to the Chair of the Nominating Committee and will be evaluated in the same manner as other candidates for nomination. Recommendations received at any other time will be kept on file until such time as the Nominating Committee is accepting recommendations, at which point they may be considered for nomination.

INFORMATION ABOUT EACH DIRECTOR'S QUALIFICATIONS, EXPERIENCE, ATTRIBUTES OR SKILLS

The Board of each Company believes that each of its directors has the qualifications, experience, attributes and skills ("Director Attributes") appropriate to their continued service as directors of the Company in light of the Company's business and structure. Each of the directors has a demonstrated record of business and/or professional accomplishment that indicates that they have the ability to critically review, evaluate and access information provided to them. Certain of these business and professional experiences are set forth in detail in the tables above under "Information Regarding Nominee and Directors." Each of the directors has served on the Boards of both Companies for a number of years. In addition, many of the directors have served as members of the board of other public companies, non-profit entities or other organizations. They therefore have substantial boardroom experience and, in their service to both Companies, have gained substantial insight as to the operation of the Companies and have demonstrated a commitment to discharging oversight duties as directors in the interests of stockholders.

In addition to the information provided in the tables above, certain additional information regarding the directors and their Director Attributes is provided below. The information provided below, and in the tables above, is not all-inclusive. Many Director Attributes involve intangible elements, such as intelligence, integrity and work ethic, along with the ability to work with other members of the Board, to communicate effectively, to exercise judgment and to ask incisive questions, and commitment to stockholder interests. The Board of each Company annually conducts a self-assessment wherein the effectiveness of the Board and individual directors is reviewed. In conducting its annual self-assessment, each Board has determined that the directors have the appropriate attributes and experience to continue to serve effectively as directors of the Company.

PROPOSAL TWO

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the Board of Directors of each Company, including all of the Company’s Independent Directors, have selected PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Company for the year ending November 30, 2016 and are submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification.

PricewaterhouseCoopers LLP has audited the financial statements of each Company since inception and has informed each Company that it has no direct or indirect material financial interest in the Company or in Kayne Anderson.

A representative of PricewaterhouseCoopers LLP will not be present at the Annual Meeting but will be available by telephone and have the opportunity to make a statement, if such representative so desires, and to respond to stockholders’ questions.

The Audit Committee of each Company normally meets two times each year with representatives of PricewaterhouseCoopers LLP to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination.

INDEPENDENT ACCOUNTING FEES AND POLICIES

Audit and Other Fees

The following table sets forth the approximate amounts of the aggregate fees billed to each Company for the fiscal years ended November 30, 2015 and 2014, respectively, by PricewaterhouseCoopers LLP:

	KYN		KYE	
	2015	2014	2015	2014

All Other Fees	—	—	—	—

- (1) For professional services rendered with respect to the audit of each Company’s annual financial statements and the quarterly review of each Company’s financial statements.
- (2) For professional services rendered with respect to assurance and related services reasonably related to the performance of the audits of each Company’s annual financial statements not included in “Audit Fees” above.
- (3) For professional services for tax compliance, tax advice and tax planning.

The aggregate non-audit fees billed by PricewaterhouseCoopers LLP for services rendered, for the fiscal years ended November 30, 2015 and 2014, were (i) \$104,300 and \$205,000, respectively, to KYN; and (ii) \$82,300 and \$173,500, respectively, to KYE, and all of such non-audit fees related to tax services provided by PricewaterhouseCoopers LLP. The aggregate non-audit fees billed by PricewaterhouseCoopers LLP totaled \$3,497,000 and \$894,000 for services rendered to KAFA and any entity controlling, controlled by, or under common control with KAFA that provides ongoing services to the Companies for the fiscal years ended November 30, 2015 and 2014, respectively. Each Company’s Audit Committee has considered the provision of non-audit services that were rendered to KAFA and any entity controlling, controlled by, or under common control with KAFA that provides ongoing services to the Company that were not

pre-approved by the Audit Committee and has determined that the provision of such non-audit services is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Audit Committee Pre-Approval Policies and Procedures

Before the auditor for each Company is engaged by the Company to render audit, audit-related or permissible non-audit services to the Company, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Before any non-audit services may be provided by the auditor to Kayne Anderson or any entity in the investment company complex (*i.e.*, the Company, Kayne Anderson and any entity controlled by, controlling or under common control with Kayne Anderson if such entity is an investment adviser or is engaged in the business of providing administrative, custodian, underwriting or transfer agent services to the Company or Kayne Anderson), if the nature of the services to be provided relate directly to the Company's operations or financial reporting, such non-audit services must be pre-approved by the Audit Committee. Any pre-approval policies and procedures established by the Audit Committee must be detailed as to the particular service and not involve any delegation of the Audit Committee's responsibilities to Kayne Anderson. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain *de minimis* thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with PricewaterhouseCoopers LLP, the Audit Committee of each Company approved in advance all audit services and non-audit services, if any, that PricewaterhouseCoopers LLP provided to the Company and to Kayne Anderson (with respect to the Company's operations and financial reporting). None of the services rendered by PricewaterhouseCoopers LLP to the Company or Kayne Anderson were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered and concluded that the provision of non-audit services rendered by PricewaterhouseCoopers LLP to Kayne Anderson and any entity controlling, controlled by, or under common control with Kayne Anderson that were not required to be pre-approved by the Audit Committee is compatible with maintaining PricewaterhouseCoopers LLP's independence.

JOINT AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Board") of each of Kayne Anderson MLP Investment Company and Kayne Anderson Energy Total Return Fund, Inc. (each, a "Company") is responsible for assisting the Board in monitoring (1) the accounting and reporting policies and procedures of the Company, (2) the quality and integrity of the Company's financial statements, (3) the Company's compliance with regulatory requirements, and (4) the independence and performance of the Company's independent auditors and any internal auditors. Among other responsibilities, the Audit Committee of each Company reviews, in its oversight capacity, the Company's annual financial statements with both management and the independent auditors, and the Audit Committee of each Company meets periodically with the independent auditors and any internal auditors to consider their evaluation of the Company's financial and internal controls. The Audit Committee of each Company also selects, retains and evaluates and may replace the Company's independent auditors and determines their compensation, subject to ratification of the Board, if required. The Audit Committee of each Company is currently composed of four directors. The Audit Committee of each Company operates under a written charter (the "Audit Committee Charter") adopted and approved by the Board, a copy of which is available on the Companies' website

(www.kaynefunds.com). Each Audit Committee member is “independent” as defined by New York Stock Exchange listing standards.

The Audit Committee of each Company, in discharging its duties, has met with and held discussions with management and the Company’s independent auditors and any internal auditors. The Audit Committee of each Company has reviewed and discussed the Company’s audited financial statements with management. Management has represented to the independent auditors that the Company’s financial statements were prepared in accordance with accounting principles generally accepted in the U.S. The Audit Committee of each Company has also discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board. The Audit Committee of each Company has received the written disclosures and the letter from the Company’s independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors’ communications with the Audit Committee of each Company concerning independence, and has discussed with the independent auditors the independent auditors’ independence. As provided in the Audit Committee Charter of each Company, it is not the Audit Committee’s responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Company’s financial statements are complete and accurate and presented in accordance with accounting principles generally accepted in the U.S.

Based on each Company’s Audit Committee’s review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to each Company’s Audit Committee, the Audit Committee of each Company has recommended that its Board include the audited financial statements in the Company’s Annual Report on Form N-CSR for the fiscal year ended November 30, 2015 filed with the Securities and Exchange Commission.

Submitted by the Audit Committee of each Company:

Anne K. Costin
Steven C. Good
Gerald I. Isenberg
William H. Shea, Jr.

For purposes of this proposal, each share of Common Stock, and each share of Preferred Stock is entitled to one vote.

For purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

COMPENSATION DISCUSSION AND ANALYSIS

Pursuant to an investment management agreement between each Company and KAFA (the Companies' external manager), KAFA is responsible for supervising the investments and reinvestments of each Company's assets. KAFA, at its own expense, maintains staff and employs personnel as it determines is necessary to perform its obligations under the investment management agreement. Each Company pays various management fees to KAFA for the advisory and other services performed by KAFA under the investment management agreement.

The executive officers who manage each Company's regular business are employees of KAFA or its affiliates. Accordingly, neither Company pays salaries, bonuses or other compensation to its executive officers. Neither Company has employment agreements with its executive officers. Neither Company provides pension or retirement benefits, perquisites, or other personal benefits to its executive officers. Neither Company maintains compensation plans under which its equity securities are authorized for issuance. Neither Company has arrangements to make payments to its executive officers upon their termination or in the event of a change in control of the Company.

The investment management agreement for each Company does not require KAFA to dedicate specific personnel to fulfilling its obligation to the Company under the investment management agreement, or require KAFA personnel to dedicate a specific amount of time to the management of the Company. In their capacities as executive officers or employees of KAFA or its affiliates, they devote such portion of their time to the Company's affairs as required for the performance of KAFA's duties under the investment management agreement.

The executive officers for both Companies are compensated by KAFA. The Companies understand that KAFA takes into account the performance of each Company as a factor in determining the compensation of certain of its senior managers, and such compensation may be increased depending on the Company's performance. In addition to compensation for services performed for each Company, certain of the executive officers receive compensation for services performed for KAFA's various investment funds. However, KAFA cannot segregate and identify that portion of the compensation awarded to, earned by or paid to each Company's executive officers that relates exclusively to their services to each Company.

SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

The following tables set forth the number of shares of each Company's Common Stock and Preferred Stock (as of March 31, 2016) beneficially owned by each Company's current directors and executive officers as a group, and certain other beneficial owners, according to information furnished to each Company by such persons. Based on statements publicly filed with the SEC and other information obtained from such persons, as of March 31, 2016, one person beneficially owned more than 5% of KYN's outstanding Common Stock and one person beneficially owned more than 5% of KYE's outstanding Common Stock. As of March 31, 2016, KYN and KYE are aware of five and five persons, respectively, each of whom beneficially owns more than 5% of KYN's or KYE's outstanding Preferred Stock, respectively. Beneficial ownership is determined in accordance with Rule 13d-3 under the 1934 Act and, unless indicated otherwise, includes voting or investment power with respect to the securities.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

For each Company, Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require the Company's directors and executive officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Company's equity securities to file Section 16(a) forms with the SEC and NYSE reporting their affiliation with the Company, their ownership and changes in their ownership of the Company's shares. Those persons and entities are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of those Section 16(a) forms furnished to it, each Company believes that its directors and executive officers, Kafa, affiliated persons of Kafa, and any persons holding more than 10% of the Company's Preferred Stock have complied with all applicable Section 16(a) filing requirements during the last fiscal year. To the knowledge of each Company's management, no persons owned beneficially more than 10% of the Company's Common Stock during the fiscal year ended November 30, 2015.

CORPORATE GOVERNANCE

Board Leadership Structure

Each Company's business and affairs are managed under the direction of its Board, including the duties performed for the Company pursuant to its investment management agreement. Among other things, the Board of each Company sets broad policies for the Company, approves the appointment of the Company's investment adviser, administrator and officers, and approves the engagement, and reviews the performance of the Company's independent registered public accounting firm. The role of the Board of each Company and of any individual director is one of oversight and not of management of the day-to-day affairs of the Company.

The Board of each Company currently consists of five directors, four of whom are Independent Directors. As part of each regular Board meeting for each Company, the Independent Directors meet separately from Kayne Anderson and, as part of at least one Board meeting each year, with the Company's Chief Compliance Officer. The Board of each Company reviews its leadership structure periodically as part of its annual self-assessment process and believes that its structure is appropriate to enable the Board to exercise its oversight of the Company.

Under each Company's Amended and Restated Bylaws, the Board of each Company may designate a Chairman to preside over meetings of the Board and meetings of stockholders, and to perform such other duties as may be assigned to him or her by the Board. Neither Company has an established policy as to whether the Chairman of the Board shall be an Independent Director and believes that having the flexibility to designate its Chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. McCarthy serves as Chairman of the Board of each Company. Mr. McCarthy is an "interested person" of each Company, as defined in the 1940 Act, by virtue of his employment relationship with Kayne Anderson. Each Company believes that Mr. McCarthy's history with the Company, familiarity with the Kayne Anderson investment platform and extensive experience in the field of energy-related investments qualifies him to serve as the Chairman of the Board. Each Board has determined that the composition of the Audit and Nominating Committees being Independent Directors only is an appropriate means to address any potential conflicts of interest that may arise from the Chairman's status as an interested person of the Company. Each Board believes that its Board leadership structure — having the Chief Executive Officer serve as Chairman of the Board and Audit and Nominating Committees comprised solely of Independent Directors — is the optimal structure for the Company at this time. Because the Chief Executive Officer has the most extensive knowledge of the various aspects of each Company's business and is directly involved in managing both the day-to-day operations and long-term strategy of each Company, each Board has determined that Mr. McCarthy is the most qualified individual to lead the Board and serve in the key position as Chairman. Each Board has also concluded that this structure allows for efficient and effective communication with the Board.

Currently, neither Company's Board has a designated lead Independent Director. Instead, all of the Independent Directors play an active role serving on the Board. The Independent Directors constitute a majority of each Company's Board and are closely involved in all material deliberations related to the Company. The Board of each Company believes that, with these practices, each Independent Director has an equal stake in the Board's actions and oversight role and equal accountability to the Company and its stockholders.

Board Role in Risk Oversight

Each Company's Board oversees the services provided by Kayne Anderson, including certain risk management functions. Risk management is a broad concept comprised of many disparate elements (such as, for example, investment risk, issuer and counterparty risk, compliance risk, operational risk and business continuity risk). Consequently, Board oversight of different types of risks is handled in different ways, and the Board of each Company implements its risk oversight function both as a whole and through Board committees. In the course of providing oversight, each Board and its committees receive reports on the Company's activities, including those related to the Company's investment portfolio and its financial accounting and reporting. Each Board also meets at least quarterly with the Company's Chief Compliance Officer, who reports on the compliance of the Company with the federal securities laws and the Company's internal compliance policies and procedures. The meetings of the Audit Committee of each Company with the Company's independent registered public accounting firm also contribute to Board oversight of certain internal control risks. In addition, each Board meets periodically with representatives of the Company and Kayne Anderson to receive reports regarding the management of the Company, including those related to certain investment and operational risks, and the Independent Directors of each Company are encouraged to communicate directly with senior management.

Each Company believes that Board roles in risk oversight must be evaluated on a case-by-case basis and that the Board's existing role in risk oversight is appropriate. Management believes that each Company has robust internal processes in place and a strong internal control environment to identify and manage risks. However, not all risks that may affect a Company can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are beyond any control of the Company or Kayne Anderson, its affiliates or other service providers.

Diversity in Nominees for Director

The Nominating Committee of each Company evaluates candidates' qualifications for Board membership. The Nominating Committee of each Company takes into account the diversity of a particular candidate and the overall diversity of the Board when considering and evaluating candidates for Director. While the Nominating Committee of each Company has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and the Board's diversity, the Nominating Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would compliment or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Company. The Nominating Committee of each Company may also consider other factors or attributes as it may determine appropriate in its judgment. The Nominating Committee of each Company believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole. As a result, the Nominating Committee of each Company has not established any litmus test or quota relating to diversity that must be satisfied before an individual may serve as a director. Each Board believes that Board effectiveness is best evaluated at a group level, through its annual self-assessment process. Through this process, each Board considers whether the Board as a whole has an appropriate level of sophistication, skill and business acumen and the appropriate range of experience and background.

Communications Between Stockholders and the Board of Directors

Stockholders of either Company may send communications to the Company's Board. Communications should be addressed to the Secretary of each Company at 811 Main Street, 14th Floor, Houston, TX 77002. The Secretary of each Company will forward any communications received directly to that Company's Board.

Code of Ethics

Each Company has adopted a code of ethics, as required by federal securities laws, which applies to, among others, its directors and officers. Text-only versions of the code of ethics of each Company are available on the EDGAR Database on the SEC's internet web site at www.sec.gov. In addition, copies of the code of ethics of each Company may be obtained from the Company free of charge at (877) 657-3863.

Transactions with Related Parties

On December 17, 2015, KAFA agreed to purchase newly issued shares of each Company funded in part with the after-tax management fees received during the fourth quarter of fiscal 2015. The new shares were purchased at the net asset value as of the close of business on December 18, 2015. For KYN, 665,037 shares were issued in connection with this purchase at \$15.09 per share, which represented a 9.2% premium to the closing market price on that date. For KYE, 219,508 shares were issued in connection with this purchase at \$8.07 per share, which represented a 16.6% premium to the closing market price on the same date. The shares issued in connection with these purchases were distributed among the principals of KAFA, including KACALP, the managing member of KAFA. Each purchase was made pursuant to a stock purchase agreement approved by each Company's Board of Directors after determination that such purchases were in the best interests of each Company and its respective stockholders.

The Companies have each adopted policies with respect to affiliated and related party transactions to the extent required by the 1940 Act and related regulatory guidance.

OTHER MATTERS

Each Company's Board knows of no other matters that are intended to be brought before the meeting. If other matters are properly presented at the Annual Meeting, the proxies named in the enclosed form of proxy will vote on those matters in their sole discretion.

How Proxies Will Be Voted

For each Company, all proxies solicited by the Board of Directors that are properly executed and received at or prior to the Annual Meeting, and that are not revoked, will be voted at the Annual Meeting. Votes will be cast in accordance with the instructions marked on the enclosed proxy card. If no instructions are specified, the persons named as proxies will cast such votes in accordance with each Board's recommendations. The Companies know of no other matters to be presented at the Annual Meeting. However, if other proposals are properly presented at the Annual Meeting, the votes entitled to be cast by the persons named as proxies on the enclosed proxy card will cast such votes in their sole discretion.

How to Vote

If your shares in either Company are held in "Street Name" by a broker or bank, you will receive information regarding how to instruct your bank or broker to cast your votes. If you are a stockholder of record of either Company, you may authorize the persons named as proxies on the enclosed proxy card to cast the votes you are entitled to cast at the meeting by completing, signing, dating and returning the enclosed proxy card. For either Company, stockholders of record or their duly authorized proxies may vote in person at the Annual Meeting. However, even if you plan to attend the Annual Meeting, you should still return your proxy card, which will ensure that your vote is cast should your plans change.

Expenses and Solicitation of Proxies

For each Company, the expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement, tabulation expenses and all other costs in connection with the solicitation of proxies will be borne by the Company. Each Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the Company's shares. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by each Company's representatives, Kayne Anderson, the Company's transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Company to assist in proxy solicitations. If a proxy solicitor is retained by either Company, the costs associated with all proxy solicitation are expected to be approximately \$5,000 for each Company. The Company will not pay any of its representatives or Kayne Anderson any additional compensation for their efforts to supplement proxy solicitation.

Dissenters' or Appraisal Rights

Stockholders of either Company do not have dissenters' or appraisal rights.

Revoking a Proxy

At any time before it has been voted, you may revoke your proxy for either Company by: (1) sending a letter revoking your proxy to the Secretary of the Company at 811 Main Street, 14th Floor, Houston, TX 77002; (2) properly executing and sending a later-dated proxy to the Secretary of the Company at the same address; or (3) attending the Annual Meeting, requesting return of any previously delivered proxy, and voting in person.

Broker Non-Votes

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker holding the shares. If the beneficial owner does not provide voting instructions, the broker can still vote the shares with respect to matters that are considered to be “routine,” but cannot vote the shares with respect to “non-routine” matters. Under the rules and interpretations of the NYSE, “non-routine” matters are generally matters that may substantially affect the rights or privileges of stockholders. The ratification of the selection of the independent registered public accounting firm is generally considered to be “routine,” and brokers generally have discretionary voting power with respect to such proposal.

Quorum and Adjournment

For each Company, the presence, in person or by proxy, of holders of shares entitled to cast a majority of the votes entitled to be cast (without regard to class) constitutes a quorum for the purposes of the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present at the Annual Meeting. For each Company, if a quorum is not present in person or by proxy at the Annual Meeting, the chairman of the Annual Meeting may adjourn the meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the Annual Meeting.

INVESTMENT ADVISER

KA Fund Advisors, LLC is the investment adviser for each Company. Its principal office is located at 811 Main Street, 14th Floor, Houston, TX 77002.

ADMINISTRATOR

Ultimus Fund Solutions, LLC (the “Administrator”) provides certain administrative services for each Company, including but not limited to preparing and maintaining books, records, and tax and financial reports, and monitoring compliance with regulatory requirements. The Administrator is located at 225 Pictoria Drive, Suite 450, Cincinnati, OH 45246.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, for each Company, a number of brokers with account holders who are the Company’s stockholders will be “householding” its proxy materials. These brokers will deliver a single copy of the proxy statement and other proxy materials to multiple stockholders sharing an address unless the brokers have received contrary instructions from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate copy of proxy materials and annual report, please notify your broker. Stockholders of each Company sharing an address who currently receive multiple copies of proxy materials and annual report of either Company at the same addresses and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

The Amended and Restated Bylaws currently in effect for each Company provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, which nomination or proposal is not to be included in the Company's proxy statement, written notice containing the information required by the current Bylaws must be delivered to the Secretary of the Company at 811 Main Street, 14th Floor, Houston, TX 77002, not later than 5:00 p.m. Central Time on the 120th day, and not earlier than the 150th day, prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; *provided, however* that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting (and in the case of the first annual meeting of stockholders), notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m. Central Time on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

Accordingly, a stockholder nomination or proposal for either Company intended to be considered at the 2017 Annual Meeting must be received by the Secretary of the Company on or after December 27, 2016 and prior to 5:00 p.m. Central Time on January 24, 2017. However, under the rules of the SEC, if a stockholder wishes to submit a proposal for possible inclusion in the 2016 proxy statement pursuant to Rule 14a-8(e) of the 1934 Act, the Company must receive it not less than 120 calendar days before the anniversary of the date the proxy statement was released to stockholders for the previous year's annual meeting. Accordingly, a stockholder's proposal under Rule 14a-8(e) must be received by the Company on or before January 24, 2017 in order to be included in the proxy statement and proxy card for the 2016 Annual Meeting. All nominations and proposals must be in writing.
